## EXPERIENCE

### Graphics Design

5 Years

I have designed logos, flyers, and brand products and businesses mostly as a freelancer since 2017 and I can say I'm a well experienced graphics designer.

### UX Design

1 Years

I extented my work and got into UI/UX design in 2021 and I have been freelancing as a product designer since then. My works are available on request.

## REFEREES

Available on request.
